

Biggest Loser Pet Contest *

Did you know that about 35% of the pet population in our country is overweight?

Just like people, a poor diet and lack of exercise can take its toll quickly on your pets. And, also just like people, those extra pounds on your dog or cat can put them at a much greater risk for heart disease, diabetes, and joint problems.

All Creatures Veterinary Services is sponsoring a BIGGEST LOSER* WEIGHT-LOSS CONTEST!

All Creatures wants to help your pet win the battle of the bulge! To keep you and your pet motivated, we are having a contest for the dog & cat that loses the largest percentage of body weight from **April 15, 2009 through July 15, 2009**. The **winning pet(s) will receive free food once a month for one year! Plus their “before” and “after” pictures will be featured in the Long Beach Herald and on our website!**

All contest participants must register by April 14, 2009. Participants are eligible for a free bag of Hill's prescription diet food¹. If you would like your pet to participate in this contest, bring your pet in for a weigh check and weight-loss consultation with one of our doctors². To help you track your pet's progress we will be holding weigh-ins for cats on Tuesdays and dogs on Wednesday's from 7-8 pm. Please check our website www.allcreatureshospital.vetsuite.com or call us for contest details.

Please stop in or call our office at (516) 432-2946 to schedule your pet's weight-loss consultation. Start your pet onto the road to good health!

* Not associated in any way to the Biggest Loser TV show.

¹: Must be a current patient

²: exam fee applies if not current patient
